Roof area:	3735 sq ft
Ridge height:	25 ft
Carport:	Yes

Large windows and overhangs over the parking area for two cars and a terrace add expression to

the simple design of this house with a gable roof. The studio layout of a double-lighted living room joined with the kitchen-dining room, allows to create a contemporary layout. The second floor has plenty of private space for all household members and features four bedrooms and two baths.
