

Floors: **1**
Gross area: **340 sq ft**
Ridge height: **14.5 ft**
Carport: **Yes**

The stylish and superior quality, EcoHouseMart Heavy Timber Carports are built from first-class northern white Spruce with factory pre-cut joints and are built to last. Keep your vehicle screened from the sun in summer and protected from the elements in winter, this premium quality carport will offer a constant and mild air circulation to keep your car dry all year round.

The heavy timber carport will look good in any garden setting. EcoHouseMart carports are made to measure in any size so for a bespoke design please call us on (631)552-5553.
