A genuine EcoHouseMart Laminated log house provides a healthy living environment with organic building materials, high indoor air quality and a warm, stress-reducing atmosphere. It's an ecological home that quite literally takes good care of the people within its walls.

MODEL: 219 is a modern house for a large family with 6 bedrooms and 6 baths. There is a large deck on the first floor, and a balcony on the second floor. May become an optimal solution for

AirBNB.

Modifications to interior layout are possible.
