Engineered Log Bath House Kit - Model 98, a charming and functional retreat designed for relaxation and comfort. This one-story log bath house features an open layout with a spacious living area and a well-appointed bathroom, making it an ideal getaway or wellness retreat. The natural log exterior provides rustic charm, while the interior design ensures a peaceful and serene environment. Perfect for creating a spa-like atmosphere in your backyard or as a cozy space for unwinding, the Model 98 is a versatile and customizable solution to suit your needs for relaxation and rejuvenation.
