Bedrooms:	4
Bathrooms:	2
Carport:	Yes

Open to below area, which is a distinctive feature of the house, unites the floors, creating the feeling of spacious and transparent space. The absence of overlap above the living room on the ground floor provides it with the daily kingdom of sunlight. Of course, the attic, which has interesting architectural forms, also makes the house attractive. Three spacious bedrooms and a bathroom with adjoining balconies are located under the massive roof.
