Log House Kit - Model 256, a sturdy and spacious home crafted from glue-laminated timber. The open-plan layout connects the living, dining, and kitchen areas. Glue-laminated timber offers superior strength, stability, and resistance to warping. Large windows allow natural light to fill the interior, enhancing the bright atmosphere. Ideal for families, the Model 256 provides a durable and comfortable living space. Its timeless design suits any environment. Choose this home for its lasting beauty, strength, and modern appeal, perfect for year-round living.
