Engineered Log House Kit - Model 74, a cozy and inviting one-story home designed for comfort and simplicity. The open-plan layout features a spacious living area that seamlessly connects to the kitchen and dining space, creating the perfect environment for family living and entertaining. Large windows flood the interior with natural light, enhancing the warm, welcoming atmosphere. The charming log exterior provides timeless rustic beauty while offering durability. Ideal as a starter home, vacation retreat, or a compact permanent residence, the Model 74 offers customizable options to suit your lifestyle and needs, combining function with natural elegance.
