Solid Wood House Kit - CLT Model 100-B Chalet, a beautifully designed home that perfectly blends modern living with classic chalet-style charm. This spacious two-story home features an open-concept layout, where the living, dining, and kitchen areas flow seamlessly together, creating an inviting space for family gatherings and entertaining. The large windows bring in natural light, creating a bright and airy atmosphere throughout. Constructed using high-quality Cross-Laminated Timber (CLT), this home offers exceptional durability and sustainability. Ideal for both year-round living and vacation retreats, the Model 100-B Chalet is customizable to suit your personal style and preferences.
