Solid Wood House Kit - CLT Model 68 Barn, a unique and stylish home that blends modern design with rustic charm. This spacious, open-concept layout features a large living area, seamlessly connected to the kitchen and dining spaces, making it perfect for both everyday living and entertaining. The barn-style exterior adds character and warmth, while the high-quality Cross-Laminated Timber (CLT) construction ensures durability and sustainability. With its impressive height and large windows, the interior is flooded with natural light, creating a bright and airy atmosphere. Customizable to fit your needs, Model 68 Barn is the perfect home for those seeking a contemporary yet timeless living space.
