Solid Wood House Kit - CLT Model 70 Chalet, a stunning, modern chalet-style home designed for both comfort and elegance. The open-concept first floor features a spacious living area, seamlessly connecting to the kitchen and dining spaces, ideal for entertaining and relaxation. Large windows bring in an abundance of natural light, enhancing the airy, welcoming atmosphere. Constructed with high-quality Cross-Laminated Timber (CLT), this home offers superior durability and sustainability, while its chalet-style exterior adds rustic charm. Perfect for mountain retreats or year-round living, the Model 70 Chalet can be customized to suit your unique vision and lifestyle.
